Dining Services Meal Plan Agreement

Meal plan requirements are determined by the University and are based on housing assignment, academic classification, or participation in a special program.

The following terms and conditions apply to University Meal Plans:

- Meal swipes are used at the Heilman Dining Center and are valid only for the semester in which they are issued; they do not roll over from the fall to the spring semester.
- Only the meal plan purchaser may use meal swipes and the One Card University I.D. assigned to them.
- Reasonable menu accommodations will be made if approved through the University's Application for Disability Accommodation.
- Dining services operations, including meal plan access, may be limited or unavailable during academic breaks, holidays, emergency closures, severe weather events, staffing shortages, or other operational circumstances.
- Students enrolled in the Spider Unlimited and Spider Plus Unlimited meal plans receive two guest meals per semester for use at the Heilman Dining Center. These guest meals expire at the conclusion of each semester.
- If a student maintains an active meal plan throughout the academic year, unused Dining Dollars from the fall semester will automatically roll over to the spring semester. If, for any reason, a student terminates their meal plan for the spring semester, unused Dining Dollars will not be refunded.
- All Dining Dollars expire at the end of the academic year at the conclusion of the spring semester, specifically on the Monday following Commencement. Unused Dining Dollars are non-refundable and have no cash value.
- Unused Dining Dollars that are part of a Summer Meal Plan do not roll over to the fall semester, are non-refundable, and have no cash value.
- If a student's housing and/or meal plan contract is terminated due to a violation of these terms and conditions and/or disciplinary action by the University of Richmond in accordance with the university policies and/or the Community Standards during the semester, that student will not receive a refund of any meal plan charges that have been billed or are scheduled to be billed for the current semester.
- Adherence to One Card Terms and Conditions.
